Mobile Phones

26th June 2018

Dear Parent/ Carer,

A decision has been made that as of Monday 2nd July 2018 the use of mobile phones and smart phone related devices within Rise Carr College will no longer be permitted. Mobile devices within the classroom have the potential to disrupt teaching and learning and do not promote a positive learning environment.

Any parent /carer wishing to contact their child during college hours should contact Mrs Diane Charlton 01325 348600 and any message will be passed to your child via our staff.

It is acceptable for students to have their mobile phone and/or smartphone related device when travelling to and from college. In these cases students must hand their device into reception on arrival. A member of staff will label the device, sign it in and keep it in a safe place until the end of the school day when the phone is signed out back into their possession.

I welcome your support on this matter.

Yours sincerely,

Emma Hickerson
Headteacher
